Designer Home â€“ 3bed + Study and 2 Separate Living!

This well-presented modern home has been designed with space in all the right places! You'll love the large open plan living & dining area plus separate media room (run 2 tv's at the same time), three large bedrooms plus open study with built-in desk, and corner block position with fewer neighbours!

The modern kitchen allows for easy entertaining, with stone bench tops, plenty of storage in the corner pantry and extra overhead cupboards, gas cooktop, dishwasher, wide plumbed fridge space and great breakfast bar.

The open plan living and dining area features air-conditioning and ceiling fans with triple glass sliding doors opening out to the outdoor patio, under the main roof. The fully fenced back yard provides plenty of lawn space for the kids or dogs to play, with a great North-facing yard and no neighbours that side – corner block!
