### Solar Power And Only One Neighbour!

This stunning home has been cleverly designed with space in all the right places, and positioned at the end of the street, you'll enjoy the privacy of less neighbours.

Beautifully landscaped gardens provide a welcoming appeal as you enter through the extra-large timber front door, complete with security screen for added safety.

Once inside you will be pleasantly surprised with the extra high ceilings and clever positioning of windows to allow the coastal breezes to flow through.

The main bedroom is located at the rear of the home and features a large walk-in robe and private ensuite. The other three bedrooms all feature built-in robes and ceiling fans.
